We Need A Lot More Guitars
and a Lot Less Guns
on the Streets of America**

In October of 2017 a partnership was formed with Spring Run Productions to produce Sherwin's first music video for the song "We Need A Lot More Guitars and A Lot Less Guns on the Streets of America." Sherwin penned this song in 1994 and it is included on the 2002 CD "It Happened In America." This anti-violence song, which is NOT anti-gun rings just as appropriate today as it was when it was written and recorded. Sherwin invited 20 of his Twin Cities guitarist friends to join him at Willie's American Guitars in St. Paul for the filming. What an eclectic room full of brothers and sisters in music celebrating a passion they all enjoy! The three-hour filming has now been edited and is ready for release. We hope you will join us on Sunday, March 31st from 4:00 PM until 7:00 PM at Mancini's Char House in St. Paul, MN and be among the first to see this timely production. Spring Run Productions will present the video several times and Sherwin and friends will perform an acoustic music set and invite commentary on the timely subject of violence in America.

Presented By: Moe's American Grill

There is not a midwesterner who will argue that the winter of 2019 has been a challenge! Record breaking snow falls have been followed by spring rains and we are all wondering where the rain and snow melt will go. It appears the brutal cold temperatures are behind us so that is something to celebrate. Celebrating is exactly what will take place when Sherwin's friends Eddie Hughes, Mark and Lisa Flora from the Holy Rocka Rollaz and Robby Vee and his Rock & Roll Caravan join Sherwin, Pam and the Cotton Kings for the second annual Winter Dance Party presented by Moe's American Grill. This five hour Rockabilly and Rock & Roll show will get toes tapping and folks dancin' at the Mounds View Community Center in Mounds View, MN on Saturday, March 16th. Doors open at 5:00 PM and the music runs from 6:00 PM until 11:00 PM. Tickets are still available! Purchase online at www.moesamericangrill.com or phone Rosie at 763-786-1800.

Pam Linton's New CD 40 - Love's Ring Of Fire

Friends, we are proud to announce that Pam Linton has completed her second CD titled "40 -Love's Ring of Fire." This 20 song project includes an eclectic mix of Country, Gospel, Folk and Rockabilly all styles that are dear to Pam's heart and appreciated by her fans. Though the CD is currently available for purchase we will host a CD release party on May 19th at Moe's American Grill so Pam can share stories and sing these incredible songs for everyone to hear.

Bob Everhart from the National Traditional Country Music Association has submitted a glowing review of this project saying, "Huge congratulations to Pam Linton for taking a stand about what Country Music is really all about. Pam's personality shines through in a very positive manner. She doesn't need to argue, she just puts her music on a beautiful golden platter and lets us listen. This very classic Country Music CD needs to be in everybody's library! Pam Linton is a shining light of "class" in a nearly barren
