

Sherwin Linton Entertainment News - April 2020

Hello Friends,

Life as we have known it has changed drastically in the past several weeks. Pam and I are very happy to be home in Minneapolis, Minnesota following six weeks of shows in south Texas. This season we performed a two and a half hour "Tribute To Johnny Cash Show" at The Riverside just outside of Mission, TX. This is a beautiful dining/showroom overlooking the Rio Grande River. Owners Johnny and Jennifer Hart are gracious hosts and we were delighted to have a sold out show with over 300 people attending. We returned to Minnesota just as the restrictions to limit crowds were imposed. Since then, all of our shows through May have been cancelled.

For two people who are used to a busy lifestyle we pondered for a few minutes wondering what to do next. First, Sherwin wrote a song titled "Covid-19 - The Ballad of Corona Virus." We have filmed a video in our home and inserted some of the funny images shared over social media near the end of the song. We ALL need to remember to enjoy a bit of humor and laughter during these stressful times. Here is a link to the YouTube Video.

Our next decision was to begin producing a Facebook Live Show in our family room! We have five 60-90 minute performances completed and our next performance is this evening at 7:00 PM. We are broadcasting on both of Sherwin's Facebook pages. Click the buttons below to tune in. Our show is relaxed, almost like a visit in your living room and we feature a variety of songs and stories from our lives and careers on every show. We have had hundreds of positive comments from friends and fans in 25 states and also

Mexico. You can send us a request for a future show too! We monitor the engagement feed so we are able to recognize special occasions and greet many who join the party!

We pray that all of our friends are healthy and safe. Please practice social distancing and WASH YOUR HANDS! "This Too Shall Pass." We can't wait to see you in our audience when we are able to return to live performances. Follow us on our Facebook pages and check our web site for schedule updates.

We pray daily for our country, our leaders and all of you.

Your Friends,

Sherwin & Pam Linton
